## TIPPERS

Supply, install and repair of hydraulic telescopic cylinders for 12m<sup>3</sup>, 16m<sup>3</sup> 32-43m<sup>3</sup> tippers and wet kits

### Wet kit includes:

Pto, Pump, oil tank, Tipping valves, oil filler-breather-unit, oil level indicator, Air switch, pipes, hoses and fittings etc....

### FLAT TOP RECOVERIES

Fabricate and Install "FLAT TOP" RECOVERIES ON 3.5Ton ,4.7Ton, 7 Ton capacity chassis vehicles for transportation of cars, as well as sports cars.

Option:- "Flat top" Recoveries Fabricated with covered canopies also.

### Dumpers

Under take repair of hydraulics of all kind of mini dumpers of Thwaites, AUSA, Belle, Jcb, Amog etc.

### Supply of Honed Tubes, Hydraulic pipes & Hard chrome rods

Honed tube sizes from : ID 30mm to ID 250mm

Hydraulic pipes sizes from 6mm to 32mm OD

Hard chrome plated steel bars sizes from: 12mm to 180mm  
External chrome plated steel hollow tubes sizes from 40mm, 45mm, 50mm & 70mm

**Supply, install and repair of Truck mounted hydraulic cranes (Hook/Block)**

**We also supply**

- PTO's, Pumps and carden shafts.
- Lever operated directional control valves, flow dividers, flow diverter valves, check valves etc...
- Hydraulic components
- Hoses and energy chains/sleeves
- Rotators, Brick clamps and compression rubber rails for clamps

Supply of pressure hoses, suction hoses, Hose fittings, connectors as well as hydraulic pipes - ferrules, fittings and pipe clamps.

## SKIP LOADER

## Skip loaders

Supply and install

New skip loaders of different capacities, on trucks, and also UNDERTAKE

Repair of hydraulic - PTO pumps

Directional control valves and components

## Aerial platforms

Supply and Install - aerial platforms of different reach on trucks and undertake repair and maintenance of hydraulics, like PTO-PUMPS, control valves, Over center-valves, hydraulic cylinders, pneumatic systems as well as electricals of all kind aerial platforms.

## For Low bed Trailer

Supply install & repair of ramps, Hydraulic cylinders and D.C. Mini hydraulic power packs & hydraulic components

## Garbage compactors

Supply and Install

New garbage compactors of various capacities, 6 to 26 cubic yard on trucks and also UNDERTAKE

Repair of hydraulics and electricals of garbage compactors

# EARTH MOVING EQUIPMENTS

Repair of All kind of earth moving equipments like CATERPILLAR, JCB, KOMOTSU, KAWASAKI, NEW HOLLAND etc.....

### Includes:-

- Hydraulic pumps, motors, cylinders, steering control units, Directional control valves, replacement of hoses
- Reconditioning of buckets and pins.....

### Hydraulic rock breakers:

Supply and repair of hydraulic rock breakers of various capacities

**Supply & Install** - HYDRAULIC WINCHES of higher capacities on trucks and even for "A" frame of marine applications and also Undertake repair of Hydraulic Winches.

Supply of pneumatic components

Supply and repair of hydraulic pumps & motors

Supply of hydraulic filters and filter elements

# SEALS

All kind of hydraulic and pneumatic seals  
upto 760mm diameter

Hydraulic and  
Pneumatic seals

Orings  
NBR / VITON

Oil Seals  
NBR / VITON

## Hydraulic / pneumatic cylinders

### Hydraulic cylinders

Repair, as well as manufacturing of new hydraulic cylinders, single/Double acting upto 6meter stroke and piston sizes ranging from 30mm to 450mm

### Pneumatic cylinders

Supply and repair of pneumatic cylinders and complete range of Pneumatic valves

**Hydraulic Test bench**  
 (Test pressure, Max 300 Bar)  
 For Testing, Hydraulic cylinders,  
 Directional control valves and  
 hydraulic components

**Air driven Hydrostatic Test Pumps**  
 Fabrication and supply of air driven test  
 pumps upto 1000 Bar

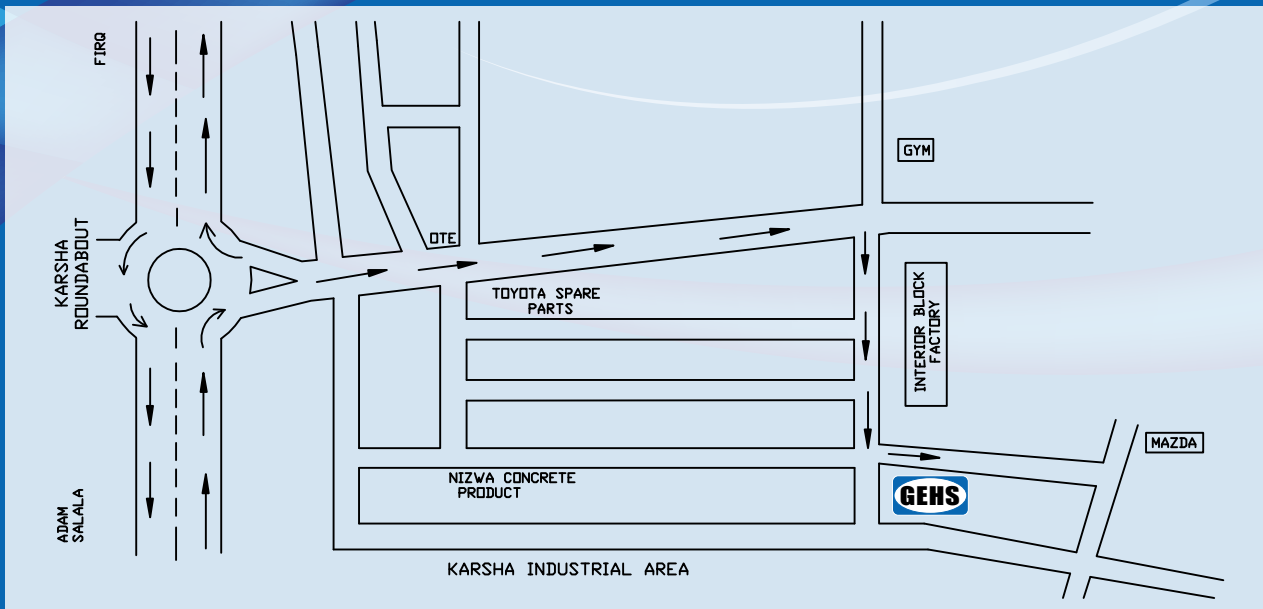

**Hydraulic  
 Power Packs**  
 Manufacture  
 of hydraulic  
 power units upto  
 500hp capacities  
 for different  
 applications

**Water well  
 drilling rigs**  
 Manufacture  
 and supply  
 of hydraulic  
 portable water  
 well drilling rigs  
 6" dia bore holes,  
 to the depth  
 of 100 to 150  
 meters.

**Oil Field Tools**  
 Under take  
 refurbishment of  
 1. Packers  
 2. Casing elevator spider  
 3. Drilling stabilizer etc
